IMPACT: State

Summary of Legislation: This bill requires the Indiana Finance Authority to carry out a feasibility study concerning the construction and operation of an academic medical center and trauma care center in the City of Gary. It provides that money appropriated in 2009 for architectural and engineering work for a trauma care center in the City of Gary is also appropriated for the feasibility study. The bill provides that the appropriation is for the 2013-2015 biennium.

Effective Date: July 1, 2013.

Explanation of State Expenditures: *Indiana Finance Authority (IFA):* The bill appropriates \$3 M to the IFA from the Tobacco Master Settlement Agreement Fund to conduct the prescribed study. [Note: The IFA reports that the \$3 M appropriation to the IFA under P.L. 182-2009(ss) for architectural and engineering work for a trauma care center in Gary was not drawn down by the IFA.]

The bill requires the IFA to report the findings of their study to the Governor, the State Department of Health, the Department of Local Government and Finance, the Budget Committee, the Commission on State Tax and Financing Policy, the Legislative Council, and any other agency that requests a copy. The findings must be reported before July 1, 2015.
